

AMIKOO[®]

WE TRANSPORT YOUR DREAMS

INTERNATIONAL SUPPLY CHAIN
MANAGEMENT SPECIALIST

Amikoo is a Mexican company established back in 1999 specializing in international freight shipping, customs broker services, forwarding services and logistics. Our team of experienced professionals are committed to provide flexible and complete business solutions for Air Freight, Sea Freight, Truckload Freight (crossborder) and Intermodal (rail freight).

We are professionals at identifying strategies to help our clients to save money, time and expand their business overseas. Our extensive network of agents worldwide allows us to follow your shipments properly.

3PL

Third Party Logistics (3PL) is a supply chain practice, in which one or more of the logistic processes are handled by third party or an external supplier.

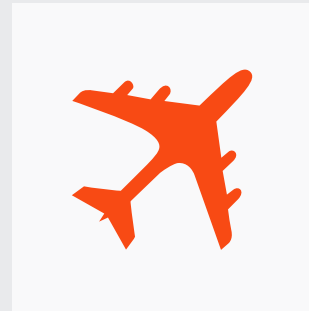

TEAM

Our team is formed by dedicated and proactive mexican freight experts, they are committed to offer real solutions by simplifying your supply chain needs

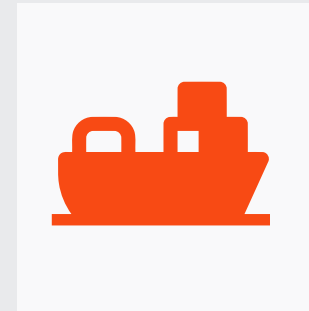

SERVICES

We proudly provide a full range of important and export services such as LCL, LTL, FCL in routes like Asia, North America, Central America, Latin America, Central America and Europe.

Feel free to contact any of our Logistics Advisor for further details.
